

International Association for Counselling (IAC)

New Development Committee – Seeking Members

Would you like to help us reach our vision of: “A World Where Counselling is Available to All”?

If so, IAC is seeking members, from each world region, for our IAC Development Committee. The overall aim of the IAC Development Committee is to facilitate funding opportunities and committee members will:

- Seek financial contributions from individuals, agencies and associations to augment funding already secured for existing IAC projects.
- Seek opportunities from UNESCO, the EU, public and private institutes, agencies, and companies to secure funding for projects that are priorities for IAC.
- Act as a catalyst in bringing together groups of individuals with the expertise to strengthen applications for funding and to contribute to projects once funding has been secured.
